

# TEENS CAMP

EKM ICEU AND EGF PRESENTS

## THIS YEARS THEME

**DRAW CLOSER**

**DIVE DEEPER**

*"THE LORD WOULD SPEAK TO MOSES  
FACE TO FACE, AS ONE  
SPEAKS TO A FRIEND."*

**— EXODUS 33:11**

Life is loud — school, friends, pressure, expectations — yet something still feels distant. What if your faith wasn't just routine, but real and personal? CLOSE UP is an invitation to move beyond surface-level faith, draw near to God, and discover a deeper, genuine relationship with Him.

# WHAT IS AWAKEN SUMMIT?

Annual Teens Camp – Every year, the Ernakulam ICEU (Intercollegiate Evangelical Union) and EGF (Evangelical Graduates Fellowship) organize an exciting Teens Camp for the youth of Kochi during the summer vacation. Spanning 3-4 days, this camp is designed to help teens know Christ and walk in His footsteps.

Get ready for an action-packed adventure filled with music, games, fellowship, engaging discussions, and practical talks, all while diving deep into God's Word. It's a fantastic opportunity to grow in faith, build lifelong friendships, and create unforgettable memories!

Parents – encourage your teens to be part of this life-changing experience.

Teens – don't miss out! Come, connect, and grow together.

Let's make this camp an unforgettable one! See you there!

Organized by UESI (union of evangelical students of India) A Christ-centered interdenominational christian movement equipping students to impact campuses and communities for His glory. visit : [uesi.in](http://uesi.in)
