WHAT IS THE AWAKEN SUMMIT?

Annual Teens Camp – Every year, the Ernakulam ICEU (Intercollegiate Evangelical Union) and EGF (Evangelical Graduates Fellowship) organize an exciting Teens Camp for the youth of Kochi during the summer vacation. Spanning 3-4 days, this camp is designed to help teens know Christ and walk in His footsteps.

Get ready for an action-packed adventure filled with music, games, fellowship, engaging discussions, and practical talks, all while diving deep into God's Word. It's a fantastic opportunity to grow in faith, build lifelong friendships, and create unforgettable memories!

Parents – encourage your teens to be part of this life-changing experience.

Teens – don't miss out! Come, connect, and grow together.
